Objective

BCA graduate and aspiring Junior Full Stack Developer with hands-on experience building responsive, user-focused web applications using modern frontend and backend technologies. Experienced in developing and deploying real-world projects, implementing authentication and database functionality, integrating APIs, and working with cloud-based services. Completed MERN Stack internship training at Cynosylix Technologies, Kochi, with practical exposure to full-stack application development. Strong interest in creating modern, interactive, and scalable web experiences while continuously improving development skills.

Experience

Cynosylix Technology – MERN STACK Intern | Feb 2026 – Mar 2026

Completed a one-month intensive MERN Stack internship at Cynosylix Technologies, gaining hands-on experience in developing full-stack web applications. Worked with React.js for frontend development, Node.js and Express.js for backend development, and MongoDB for database management, while building REST APIs and implementing CRUD operations. Gained practical experience in Git/GitHub, API testing, debugging, frontend-backend integration, and deploying web applications using modern development practices.

EDUCATION

Bachelor of Computer Application , Bangalore North University	2023-2026
12th Standard , Kerala Board	2021-2023
SSLC , Kerala Board	2020-2021

PROJECTS

• Personal Portfolio – Professional Project

Designed and developed a responsive personal portfolio website to showcase projects, technical skills, certifications and professional experience. Implemented modern UI/UX, interactive sections and responsive layouts, and deployed the application using Vercel.

React.js, Vite, JavaScript, Vercel

• QuickKart — Full-Stack Ecommerce Web Application

Developed and deployed a full-stack e-commerce application with user authentication, product management, shopping cart functionality, and REST APIs. Implemented frontend-backend integration and MongoDB-based data management, with the application deployed for public access.

React.js, Node.js, Express.js, MongoDB

SKILLS

Technical Skills: JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs, API Integration, Postman, HTML5, CSS3, Git/GitHub

Soft Skills: Problem Solving, Communication, Teamwork, Adaptability, Time Management, Motivation

CERTIFICATIONS & ACHIEVEMENTS

- **Artificial Intelligence Analyst**
Mern Stack Internship
Programming Foundations
- **DSA CODEVERSE**

LANGUAGES

English, Hindi, Malayalam, Tamil
